Tamil Nadu.

Dear Sir,

Subject: Self-Declaration Concerning Scholarship Conditions

I am writing to formally declare that I am not currently receiving any educational loans or financial support from other trusts or organizations. As a dedicated student, I recognize the importance of transparency regarding the support and funding I receive. Should I secure any form of educational loan or support from another trust or organization in the future, I will promptly notify **AGNI Shine**. I understand the need to keep you informed to prevent any conflicts or misunderstandings related to my financial assistance.

I acknowledge that to remain eligible for the scholarship, I must not fail any subjects and must maintain an attendance rate of at least 80%. I understand that meeting these conditions is crucial for continuing the scholarship for future semesters.

Additionally, I am aware that **AGNI Shine** reserves the right to terminate my scholarship if any information provided in my application or discovered during field visits is found to be incorrect.

I accept that if I fail to meet these conditions, my scholarship will be terminated, and I will not seek further scholarship support from **AGNI Shine**.

Thank you for your attention.

Yours sincerely,
